

# SILVER CITY **ART** ASSOCIATION

## SILVER CITY INDEPENDENT ARTISTS

Thank you for being a member of the Silver City Art Association. We are excited to promote your artwork in the 2022 Red Dot Art Guide and on the SCAA website. This year, we listened to feedback from our members and have standardized the sizes of all photos and the amount of space for each entry. The independent artists photos will all be 2"x1.625" (300 dpi) only, and descriptions will be limited to a maximum character count. All spaces will be in the same size and shape.

### NAME OF INDEPENDENT ARTIST

(Some artists have longer names and may take up more lines (see example below), you will be notified that you will need to cut the length of your description due to space.)

**DESCRIPTION:** 200 characters in the paragraph including spaces

**This is how all addresses will look:** Make note of periods, commas, and spaces (If you have two websites listed, it will cause 3 lines, you may be required to cut your description, due to space)
