

The SCAA requires members to help in promotion, development and growth our community of artists in order to benefit one and all.

Proposals for SCAA Activities and Events

Any member may propose new Association activities and events, or changes to current activities and events presented to and for consideration by the membership. Proposals for new events, or major modifications to existing events, will be voted on by poll of the membership at large by email, postal mail or by phone.

SCAA Red Dot Art Guide Booklet Production

Our annual Art Guide is a comprehensive listing of SCAA member Galleries, Studios and Artists. Our attractive, professional Art Guide has wide regional distribution focused on encouraging visitors to spend time in Silver City' art galleries and studios. Our booklet includes local maps of locations, as well as profiles including photographs and information about each Association Member. Paid for by Lodgers Tax.
